

## VOLUNTEERS NEEDED: INFORMATION RELEASE 3.19.2020

*“Just as the body, though one, has many parts, but all its parts form one body, so it is with Christ.” – 1st Corinthians 12:12*

As we navigate the uncharted waters of the COVID-19 pandemic, we encourage you to join us to help shine a light of hope and of love to our neighbors in need. We are the Church!

Our current focus areas and needs of assistance:

- Prayer team:
  - Daily prayer for HLCN operations, local churches, our leaders, and other developing needs.
  - We will supply regular updates and information about specific prayer needs.
- Shepherding:
  - Variable and usually limited time commitment but someone willing to be committed to sticking with a family for the duration of the event.
  - We will provide baseline (online) training.
  - This person would be partnered with a single family (or potentially a couple of families) for the duration of the event to “WRAP” around them – **Walk** beside them, build a **Relationship, Advocate** for them, and **Pray** with them. This could look like Shopping for / delivering food and necessities to families in need (particularly elderly, medically fragile, and kids); checking in on a regular basis with a phone call; communicating more complicated needs back to HLCN office.
  - You don’t have to know all the answers, just be a friend in a time of need.
- Collection Point Volunteer (Locations: Llano / Burnet / Marble Falls):
  - Collection / Warehousing / Sorting of donations for distribution; creation of care packages to be delivered to those homebound and in need.
  - Willing to be part of a 5-8 person team and to donate at least 1 day per week from 8AM to 5PM toward staffing supply collection/distribution point.

  - Ideally on a consistent rotation to be able to track a variety of cases and progress on each.
- Fundraising Team:
  - Outreach to the community to provide funding for operations for the needs listed above and Future needs.
